Subject: [BULLETINBOARD] Payments for CSUEU employees salary increases
Date: Wednesday, January 24, 2007 3:31:07 PM

In response to inquiries regarding recent pay disbursements, please note the following information about the salary increase for employees in Bargaining Units 2 (Health Care Support), 5 (Operations and Support Services), 7 (Clerical and Administrative Support Services), and 9 (Technical and Support Services).

The salary increase is 3.324% (3.0% General Salary Increase and 0.324% Market Salary Adjustment) and is retroactive to August 2, 2006.

Payments have issued and have been distributed. If you have not received a pay disbursement by now, it is because your payroll technician is processing it manually. Please hold off on your inquiry to Payroll until March 1 because this may delay the process.

Thank you.
