

WEB Based Classes

Web-Based courses utilize Blackboard and are taught online. A web-based course does not meet for instructional purposes in physical facilities, although students may be required to meet for an in-class orientation or to take exams. Fully online classes require the same amount of course work and hours as a regular class. Students must have a Fresno State email address before signing up for this section. More information is on the web site <http://www.csufresno.edu/digitalcampus/>.

Additional sections may be offered. Continue to check the Digital Campus website for updates.
