

Spring 2009 Class Schedule

WEB Based Classes

THIS IS AN ONLINE VERSION OF THE PAPER DOCUMENT THAT IS AVAILABLE IN THE KENNEL BOOKSTORE. Although this class schedule was prepared with the best information available at the time of publication, all information, including class meeting times, locations, faculty, and course offerings, is subject to change without notice or obligation. The university does not guarantee the availability of a particular course or section. Enrollment is permitted only until the maximum number of students in a section have been enrolled.

WEB Based Classes

Web-Based courses utilize Blackboard and are taught online. A web-based course does not meet for instructional purposes in physical facilities, although students may be required to meet for an in-class orientation or to take exams. Fully online classes require the same amount of course work and hours as a regular class. Students must have a Fresno State email address before signing up for this section. More information is on the web site <http://www.csufresno.edu/digitalcampus/>.

Additional sections may be offered. Continue to check the Digital Campus website for updates.
