**Classnotes:**

- 14 CR/NC - Credit/No Credit Grading only. You may find the definition of CR/NC in the current California State University, Fresno General Catalog under Academic Regulations, Explanation of Grades.
- 15 Web-Enhanced classes meet during regularly scheduled class times, and use Blackboard or other technology to deliver class materials. Up to half of the traditional class time may be replaced with on-line instruction. More information is available at <http://blackboard.csufresno.edu>.
- 17 Web-Based classes are taught entirely on-line. Unlike a traditional class, a web-based class does not meet in a classroom for instruction, although students may be required to meet for an in-class orientation or to take exams. Web-based classes require the same amount of work and hours as a regular class. More information is on the web site <http://blackboard.csufresno.edu>.
- 18 This section has a prerequisite. For more information, please refer to the current California State University, Fresno General Catalog or consult with your academic adviser.
- 21 Students must satisfy ELM requirements.
- 22 Secure permission to register from the department office.
- 24 Students registering for 190's, 198's, and/or 290's need to secure permission to register from the department office.
- 27 This course participates in the Supplemental Instruction (SI) Program through the Learning Center. SI sessions provide an opportunity for students enrolled in this class to meet and discuss course information and answer each other's questions while having a peer who has previously taken the course close at hand to facilitate the discussion. For additional information, contact the Learning Center at 278-3052
- 28 See the graduate adviser in your department to check your eligibility to sign up for the Culminating Experience.
- 32 Does not apply toward major or minor requirements.
- 34 Letter grade only.
- 36 Approved for RP grading. You may find the definition of RP in the current California State University, Fresno General Catalog under Academic Regulations, Explanation of Grades.
- 38 Satisfies a General Education requirement as specified in the 1998-1999 or earlier California State University, Fresno General Catalog.
- 39 Satisfies a General Education requirement as specified in the 1999-2000 or later California State University, Fresno General Catalog.
- 40 Remedial Course - does not count toward baccalaureate degree.
- 44 Enrollment in 200-series courses is limited to those who have met graduate degree program admission requirements, including appropriate GRE/GMAT/MAT

			scores. Exceptions may only be made by the Graduate Dean. Advanced, post-baccalaureate credential students may enroll in no more than six units of 200-series course work prior to submission of GRE/MAT scores.						
56			This class takes place in the Peters Ed. Center Auditorium within the Student Recreation Center on Shaw/Woodrow Avenues. Please keep the location of the Student Recreation Center in mind when registering for classes that are directly before/after this class.						
57			Multimode classes combine on-line and traditional in-class instruction. More than half of a multimode class is on-line. Such classes meet during regularly scheduled class times albeit less frequently than traditional classes. Multimode classes require the same amount of work and hours as a traditional class. More information is available at <a href="http://www.csufresno.edu/digitalcampus/">http://www.csufresno.edu/digitalcampus/</a> .						
4004			Restricted to students who score 30 or less on the ELM Exam						
4007			Passing score in the Calculus readiness test required for enrollment. More information on the Calculus readiness test can be found on the Department of Mathematics website: <a href="http://www.csufresno.edu/math">http://www.csufresno.edu/math</a> . Engineering Majors who have passed the CRT will be allowed enrollment.
