*Aloha! Come join  
the Big Kahuna!*

**Plan on joining us for the 2008 Family & Friends Tailgate** sponsored by Fresno State Alumni Association's College of Engineering Chapter. This annual event allows students, faculty, alumni and industry reps to meet and interact on an informal basis.

Come join us for an evening of BBQ, football and "Island Fun" as we cheer on our Bulldogs against the Hawaii Warriors! It will be a great time to kick-off the new school year with old friends and future alumni.

Each year this event is a **sell-out**, so please register early . . . Only ten tables of eight are available for sponsorship at \$250. Individual tailgate tickets are also available at \$22 for alumni, faculty, staff and their families (Non member tickets are \$25). This year's event will be Luau theme, so make sure to wear your best Hawaiian shirt or grass skirt!

Sign up by returning the enclosed registration form by mail or FAX with check or credit card information to:

**2008 Family and Friends Tailgate  
2320 East San Ramon, M/S EE94
