

TRIAD TEACHING IMPROVEMENT PROGRAM

Under this program faculty are encouraged to work together in groups of three to improve their teaching by (a) visiting each other's classes, (b) arranging for video-taping of a class that is being visited by the others, and then (c) viewing the video together for purposes critique and assessment. Arrangements for video-taping can be made with the Instructional Telecommunications Center.

This program is entirely voluntary and no information directly resulting from participation in this program shall be placed in the RTP File or used as part of a performance appraisal for tenured faculty unless introduced by the candidate or person being evaluated. Individuals participating in the Triad Teaching Improvement Program shall inform their respective deans in writing of their participation and this notification shall be placed in their Open Personnel Files.
