

LEON S. PETERS ETHICS LECTURE

The Exclusion of Africa & Asia From the History of Philosophy

Peter K.J. Park

May 3, 6-7pm

Alice Peters Auditorium (UBC)

The academic canon is plagued by Eurocentrism. This lecture will critically examine this problem by focusing on the ways that European thought deliberately excluded Africa and Asia.

Peter Park is professor at the University of Texas, Dallas. He is the author of *Africa, Asia, and the History of Philosophy: Racism in the Formation of the Philosophical Canon*.
