International Community

California State University, Fresno enjoys a large international student community. Our multicultural staff is committed to international student success, as stated in our mission statement. We provide a comfortable environment that allows students to make the most of their educational experience.

International Student Services and Programs

The program sends international students information regarding arrival in the United States, visa and immigration, housing in the Fresno area, and registration after students are admitted. After arrival, the staff guides students through several mandatory preregistration workshops, post-admission English testing, and registration. International students may need to enroll in English as a Second Language courses during their first semester or a course in American culture and society. (See *International Programs, Campus Program* under the Special Programs section.) Visit our Web site for the latest information. (See top of this page.)

International staff will assist you in obtaining housing. An American family or a student from your country can meet you at the airport when you first arrive and provide some short-stay emergency housing.

Learn about Americans by making friends with families through our International Friendship Program.

Enjoy recreational activities with fellow classmates by participating in trips and activities.

Opportunities

Share your country and culture with the Fresno community and the Fresno State campus by speaking to small groups through our Exploring Global Diversity — International Coffee Hour series.

Join the many international clubs or any of the 200 other organizations available on campus. Participate in and enjoy the varied cultural programs during the year, such as International Culture Night, Mooncake Festival, Malaysia Night, and other national day celebrations.

Learn about travel around the United States by using our Resource Center. A computer terminal is also available for electronic mail.

The foreign student advisers take a personal interest in helping you adjust to the academic environment and resolve your own personal concerns, such as financial assistance, immigration matters, and personal needs. Agency- and foreign government-sponsored students participate in our Sponsored Student Program.

We offer you more than good weather, a reasonable cost of living, and excellent selections in undergraduate and graduate academic programs. We care about your development as a whole person; we want your stay in the United States to be worthwhile. We believe your experience and involvement in the United States will enrich your life, as well as our university. We look forward to sharing this experience with you. ❖
