

LSAT Preparation Course - Online

This four-month web course is designed to help students of all ability levels prepare for the Law School Admissions Test (LSAT). The online course provides a guided and customized plan to help you identify your test-taking strengths and offers helpful strategies to address your weaknesses. In addition to a complete review of all LSAT content by subject and question-type, this self-study course prepares you to maximize your performance on test day. An emphasis is placed on Cambridge's Six-Step Approach to score improvements, including diagnostic testing, essential basic skills review, necessary test-taking strategies, valuable practice test reinforcement—all of which will assist you in the development of your own personal study plan. Course fee includes four months of web access, an adaptive CD-ROM, as well as a book of official LSAT exams.

Dates: Self-paced; students may start at any time, must be completed within four months of start date
