* When Chem is taken before Biol 65 students do better in the course

** When Humanities Area C2, is met by CDS 92, or SPAN 1B, it can also be counted as meeting an OPTION Elective

** When Social Science (Area D3) is met by PSYCH 10, it can also be counted as meeting an OPTION Requirement

** When Life Long Understanding etc. (Area E3) is met by HS 90 it can also be counted as meeting a CORE or OPTION Elective.

This requirement may be met by successful examination, However classroom participation is recommended.

Check Upper Division GE for two areas with W courses: Anthro 105W and Anthro 116W.
