\* When Chem is taken before PHYAN 65 students do better in the course

\*\*When Humanities Area C2, is met by CDDS 92, or SPAN 1B, it can also be counted as an OPTION Elective

\*\*\* ERF 153 is a pre-requisite for those considering a Masters in Rehabilitation Counseling

<sup>†</sup>When Social Science (Area D3) is met by PSYCH 10, it can also be counted as an OPTION Requirement

<sup>‡</sup>When Life Long Understanding (Area E1) is met by GERON 120 or HS90 it can also be counted as a CORE or OPTION Elective.

# This requirement may be met by successful examination, However classroom participation is recommended. Check Upper Division GE for two arieas with W courses: Anthro 105W and Anthro 116W.
