

California State University, Fresno
 Department of Social Work Education
 PPS Credential Program

Final Candidate Portfolio Requirements

Candidate: _____ **Date:** _____

PPS credential candidates are required to maintain a portfolio of designated classroom and field placement assignments that are specific to the specializations of school social work and child welfare and attendance. The specific assignments are outlined below. They are to be organized in a 3-ring binder with a cover sheet that includes all necessary identifying information (i.e. name, academic year, PPS Credential Program, etc.). The portfolio serves as evidence of your mastery of the requirements of the PPS program. It will be reviewed in January and at the end of the academic year and considered in the decision regarding recommendation for the credential.
