English

The university has implemented changes to the first-year writing program starting Fall 2006. In the new first-year writing program, students enroll in either Engl 5A (a stretched course) or Engl 10 (an accelerated one-semester course). Students who enroll in 5A will also enroll in Engl 5B in the following semester. Engl 10 and the two semester Engl 5A and 5B sequence replace English 1.

More information about the Directed Self Placement Program can be found on the Department of English website <http://www.csufresno.edu/english>

The Writing Tutorial (Engl.1L) helps students further develop reading and writing skills according to individual needs.

Students enrolled in Engl 5A, Engl 5B and Engl 10 are especially encouraged to take advantage of this additional assistance to ensure their success in writing courses. For more information and registration call or 278-0334. Upper Division Writing Skills Requirement: the requirement can be met either by registering for the Upper Division Writing Exam with Testing Services at (559) 278-2457 or by completing any W course with a grade of C or better or Credit (CR) in order to graduate.
