

Exemption from Hotel Occupancy Tax

Certain jurisdictions i.e. (cities or counties) within California which have imposed Hotel/Motel occupancy taxes have also chosen to exempt certain classes of travelers. Be aware that, when traveling, your room charge may be exempt from Hotel/Motel occupancy tax, if any is imposed. This exemption could result in a substantial savings. The exemption if allowed, can be claimed by State Employees on State business. It is suggested you confirm the exemption and amount when making your reservations.
