

Travel Agencies

The State has contracted with various Travel agencies to:

- Provide state agencies with a choice of qualified travel agencies statewide.
- Effectively demonstrate compliance by state travelers of contract airfares.
- Guide state travelers to use the most efficient services and economical rates, particularly state contract rates for air travel and car rentals, and other related services.

The traveler can obtain state contracted airfares by using their university issued American Express Government Card , or using the University's BTA account and contacting one of the following State Authorized Travel Agencies (S.A.M. 99-17):
