

Add Money to your Account

Users can add value to their ID card a couple of ways; at one of the three fill stations, or online., end of handout lists locations.

Users can add money to their account online using a credit or debit check card with either a Visa or Mastercard symbol on it. Please follow the steps below to add value to your card online.

1. Go to the campus [Blackboard](#) website.
2. Login with your campus email username and password.
3. Once logged in you will see a new pagelet on the right hand side of the Blackboard window, see below for example.

The screenshot shows a web browser window titled "Bulldog Card Account". The page content includes:

- Welcome message:** "Welcome to the Bulldog Card Account Module. This module contains all of the tools necessary to manage your Bulldog Card (formerly KeyCard or Fresno State ID Card)." A "Refresh" button is located to the right.
- Account Balance:** A section with a "Refresh" button and a list of account balances:

Account Type	Balance
BULLDOG BUCKS	\$100.00
DINING FLEX	\$0.00
DINING FUND	\$0.00
- Statements:** A section with a magnifying glass icon and the text "View printable versions of past Bulldog Card Statements." Below this is a dropdown menu set to "Ending 7/31/08" and a "GO!" button.
- Deposits:** A section with a wallet icon and the text "Add money to your Bulldog Bucks Account. A valid VISA or Mastercard credit or check card is needed in order to complete this transaction (\$20 min deposit)." A "Refresh" button is located to the right.
- Transaction History:** A section with a bar chart icon and the text "View current and past transactions for your Bulldog Card Accounts." A "Refresh" button is located to the right.
- Report Lost or Stolen Card:** A section with a question mark icon and the text "Stop all transactions on a lost or stolen Bulldog Card." A "Refresh" button is located to the right.

At the bottom of the page, there is a paragraph of text: "Bulldog Bucks can be used for Pay-For-Print 2.0 transactions and Food Court purchases. Dining Flex and Dining Fund accounts can only be used for Food Court purchases. Dining Flex dollars are established by the University Courtyard for housing students only. Money can be added to the Dining Fund only through the Food Services Office in the Residence Dining Facility."

4. Click on the **Deposits** link to start the transaction.

Bulldog Card Account

Ending 7/31/08 [GO!](#)

Deposits ←

Add money to your Bulldog Bucks Account. A valid VISA or Mastercard credit or check card is needed in order to complete this transaction (\$20 min deposit).

Transaction History

View current and past transactions for your Bulldog Card Accounts.

Report Lost or Stolen Card

Stop all transactions on a lost or stolen Bulldog Card.

Bulldog Bucks can be used for Pay-For-Print 2.0 transactions and Food Court purchases. Dining Flex and Dining Fund accounts can only be used for Food Court purchases. Dining Flex dollars are established by the University Courtyard for housing students only. Money can be added to the Dining Fund only through the Food Services Office in the Residence Dining Facility.

LOCATIONS:

PHIL Station (Payment Headquarters in Location) Locations

Users can add value to their ID card a couple of ways; at one of the three fill stations, or online. The PHIL stations are located in the University Student Union 2nd floor, Peters Buisness room 133, and the New Library (coming soon). At the PHIL stations you can add value to your card using as little as \$1.00. Users can also purchase "guest cards" if they have forgotten their Student ID card.
