

GRADE RELEASE FORM

ORGANIZATION: _____

DATE: _____

By signing below, the individuals listed are authorizing the release of their academic information to the undergraduate chapter president and university advisor for the purposes of verifying eligibility for initiation, compilation of organizational data, and other internal uses pertinent to membership in Greek-letter social organizations at California State University, Fresno. This information is confidential and may not be shared for any other purpose.

The release shall be in effect from the first semester the individual becomes involved with the organization until the member is no longer affiliated with the organization or is no longer attending the university. Personal address information, including social security number, will not be released once it is confirmed as being correct for each member listed.

GRADE RELEASE

Use this form to ensure that officers, advisors, and national representatives can access members' academic information. This is critical to ensuring that members are fulfilling their academic obligations necessary for membership.

Do not use this form as a "membership report" nor as an update to membership totals. Membership reports can also not be used as a grade release. Each member must sign for the release of their academic information.

This information is not distributed or available to the public.

Complete and return to the address below.

This form is available in PDF format at the website at the bottom of the page.
