SPRING 2018 UNDERGRADUATE ADMISSIONS

California State University, Fresno is accepting admission applications from upper-division transfer applicants who have or will have received their Associates for Transfer Degree (ADT) by the end of fall 2017. The **application filing period is August 1 – August 31, 2017**. Students can apply online at www.calstate.edu/apply.

Fresno State is impacted at the transfer level and will implement heightened admission criteria. Due to limited space availability, the GPA requirement will be determined based on the number of applications received. The recommended GPA for applying is 2.5.

An applicant must meet the admission GPA requirement with all transferable grades through summer 2017. Students who do not meet the GPA requirement at the time of review will **NOT** be considered for admission. Students who **do** meet the admission GPA by the end of summer 2017 can use fall 2017 in-progress courses to ensure the Foundation area and/or 60 transferable unit minimum is met in order to complete their ADT.

Please note: The postmarked deadline to turn in all required admission documents is Friday, September 15, 2017. Extensions will not be made to the deadline.

The Cal State Apply site has additional information regarding CSU admission. Applicants are encouraged to pay close attention to document deadlines. Applications that remain incomplete will not be processed. Additionally, students can access information regarding spring admission and document deadlines at <http://www.fresnostate.edu/are>.
