

The final determination of your residence status for tuition fee purposes is dependent upon this office receiving additional information concerning your Alien Registration Card. Please complete one of the following steps:

1. Present your card to the Residence Specialist in the Admissions/Records Office, located in the Joyal Administration Building. **If you are under 19 years of age, we must also have you present one parent's Alien Registration Card.**
2. Attach a photo copy (**front and back**) of your Alien Registration Card to this letter and mail back to this office as soon as possible. **If you are under 19 years of age, you must also attach a photo copy of one parent's Alien Registration Card (front and back).**
3. If **you** are a U.S. citizen and under 19 years of age, **you must also submit verification of one parent's Alien Registration Card (front and back).**

Your residence classification not only determines your tuition fees, but may affect your admissibility to CSU Fresno; therefore, please return this form to us as soon as possible. If you plan to present your Alien Registration Card to this office personally, please bring this letter with you.

Questions regarding the above can be directed to the Residency Specialists, **Caroline Ayala at (559) 278-6078 or Monica Jolly at (559) 278-6685.**

Sincerely,

Yolanda De León
Admissions Officer
