

UMS/GARABEDIAN INTERNSHIP PROGRAM
Written Assignment

One of the requirements for receiving your \$1,000 scholarship is the submission of a three-page paper summarizing your Internship experiences. This paper will be used to determine the success of the UMS/Garabedian Internship Program, to inform new students about the benefits of the program, and will be shown to your Site Supervisor for their review.

Your report should provide a positive overview of your internship experience, and include the following:

1. The name of the agency, the purpose or major objectives of the agency, the type of clientele served, and the geographical area served.
2. What your responsibilities were, and how you feel your internship may have helped you prepare for your career.
3. What specific skills you learned by the end of your internship.
4. What you feel you may have accomplished for the agency or their clientele during the course of your internship.

Your report must be typewritten and double spaced, and three pages in length.

All reports must be turned in to Raúl Z. Moreno, Internship Coordinator, at the completion of your placement. Checks will not be disbursed without this paper on file in the UMS Office.
