

Meeting Notes
Gender Equity Plan Task Force
September 21, 2007
President's Conference Room
10:30 a.m. – 12:00 noon

The Gender Equity Plan Task Force (GEPTF) was convened by the Chair at 10:40 a.m.

Logistics: The agenda was distributed, Meeting Notes from September 6th were reviewed and approved by the Task Force. Reminder that the Title IX consultant will be at the September 24th meeting.

Update/Questionnaires to Coaches: The responses from the coaches were handed out. We are still waiting for a few more. Those will be distributed once they are received. Also distributed was a Coaches List containing contact information for all the coaches. There was a brief discussion on methods of how to compile the data on a spreadsheet.

Update/Review – Student Questionnaire: The student committee member will review the questionnaire and send suggested revisions so that the questionnaire can be sent to student athletes. It will be distributed to the Student-Athlete Athletic Council so that all sport areas will be represented in the responses. The response time will be short so that we can move forward quickly.

Sub-committees for Laundry List: Sub committee chairs were asked if they had any updates or concerns. One sub committee chair reported that she had experienced cooperation from the Athletic Department staff and no problems in her interviews/requests for information so far. The responses from the coaches surveys should be instrumental in determining your questions and requests for information.

Scheduling Future Meetings/Availability: If any of the sub-committee chairs need assistance in scheduling meetings or securing locations for their meeting, please contact the Human Resources Department. HR will continue to coordinate the scheduling of the meetings. As there currently are no reports from the sub-committees' yet, it is too soon to schedule a public meeting.

The Task Force meeting ended at noon.
