Please join us for the Friends of the Madden Library’s Annual Dinner on **Friday, September 11**, at the Henry Madden Library on the Fresno State campus. Henry Toledano, author of *Goreyography*, a comprehensive Edward Gorey bibliography and price guide, will speak on the famous author, artist, and illustrator.

Edward Gorey became widely known through his animated introduction to the PBS series *Mystery!* as well as his designs for the 1977 Broadway production of *Dracula*, which won a Tony Award for Best Costume Design. Toledano’s talk will complement a library exhibition of Edward Gorey materials from the collection of Fresno art historian Tina Mastropolito Bruno. In addition to being an expert on Gorey’s work, Toledano, of San Francisco, is widely appreciated among collectors for his *Modern Library Price Guide 1917–2000*.
